DIRECTIONS

Foxcroft Farm – 1285 Hopewell Road, Harrodsburg, KY 40330

From the North (*recommend this over following your GPS into Lexington and then across*):

I-75 South to exit 118 onto I-64 west. Take I-64 to exit 53A onto 127 South toward Lawrenceburg.

***You will go straight on this road until you turn at our corner. As a point of reference, from the Bluegrass Parkway, you will go south on Highway 127 for approx. 8.7 miles to Route 1160 on the right (your GPS will call it Talmadge Mayo Road, but the road sign reads 1160).

** Go 3 miles to Hopewell Road on your left. It only goes to your left & is a small road. The sign for the road is a small 4x4 post with the name written down the post. It is a little hard to see the sign and turn. Look for a Herding Trial sign. If you go as far as the Baptist Church, you have gone about ½ mile too far.

Go approx. ½ mile on Hopewell Road. You will go down a hill, up a hill & as you approach the curve in the road, our tan brick house is directly ahead of you. Go around the curve & immediately turn left into our driveway. We have a black 4-board wood fence.

Your GPS will tell you that you are at our house about 2/10 mile before you are there.

From the West

Go east on I-64 toward Lexington. Get off I-64 at exit #48 toward Lawrenceburg. At the end of the exit ramp, turn right onto 151. Take 151 until you come to a large

intersection which is 127. Turn right onto 127, southbound. Then follow the above directions, starting at ***.

From the East (on the Bluegrass Parkway)

Take the Bluegrass Parkway to exit 59A, Route 127 South, which is the Harrodsburg exit. That exit will put you onto 127 South. Then follow directions above starting at ***

From the South (on I-75) Take I-75 north to exit #59 onto 150 west. Follow 150 to Danville (stay on main road, do not take the right turn into town). 150 will turn into a bypass around Danville and becomes 127. You will not even notice when 150 becomes 127. Stay on 127 north to Harrodsburg. At the south end of Harrodsburg is another bypass and 127 will turn right and take you around town. There will be a traffic light at the start of the bypass and 2 traffic lights as you go around the bypass. At the 3rd traffic light on the bypass you will meet up with 127 and you turn right onto 127 to continue north. (I do NOT suggest you follow your GPS and stay straight at the end of the bypass, you will be on much smaller, winding roads.) Go about 6 miles north on 127 to 1160. Just before 1160 you will see a store called Kountry Kupboard on your left. 1160 only goes to your left and there is no traffic light. Turn left on 1160. (Your GPS will call it Talmadge Mayo Road but the road sign reads 1160).

Follow directions from the north starting at **
